Re: Emery Deep Mine Permit C/015/015
MRP insignificant revision to add bath house trailer pad, Clean Copy

Dear Mr. Haddock:

Please consider this a Clean Copy submittal of the above mentioned permit revision. Enclosed please find ⁶3 copies including an executed C1 form, C2 form, and revised pages. A cd-rom has been included with the submittal in pdf format.

This revision includes an additional concrete footer for a new bath house trailer. The footer will be 2-70 foot by 4 foot by 4 inch thick footers. The area is located adjacent to the existing trailer footers. This revision also revised the bond calculations for demolition cost. Concrete demolition costs were not accounted for in previous bond calculations.

If you have any questions concerning this request, please contact me at (618) 625-6850.

Sincerely,

John Gefferth
Environmental Engineer
